EN7-R2

# EN7

The EN7 series bed is a variant of the EN9, manufactured in Australia from imported components. This bed is versatile, as is suitable for low, high, and bariatric care; featuring a low height of 100mm and a high height of 725mm. The EN7 is available in single and king single sizes and is standard in an APO Grey frame and Natural Oak Laminate Head and Footboards.

The EN7 enables care for frail, elderly or dementia patients, through acute and bariatric settings, this bed has the needs of the residents and the carers covered. One bed, endless possibilities!
