HEALTH+

SMART START TO GOOD HEALTH

A feature-packed massage chair that starts up at the touch of a button. Lean back and enjoy an amazing massage within seconds of sitting down. The integration of intelligent technology with the rolling massage hand ensures your body will experience many health benefits and thank you for it.

TAILOR YOUR MASSAGE

With 10 automatic massage treatments and 6 manual massage techniques, tailor your massage exactly how you like it. The human-like touch of the rolling massage hands dissolves stress, eliminates tension, reduces fatigue and leaves you feeling relaxed and refreshed.

WEIGHTLESS ZERO GRAVITY MODE

The feeling of complete weightlessness at the touch of a button; Zero Gravity is the ultimate seating position and takes all of the pressure off your spine giving instant relief from aches and pains and the experience of true relaxation.

HOT STONE MASSAGE

The Health+ Massage Chair features a Hot Stone Massage treatment that radiates heat up to 50°C to soothe sore muscles and making them more elastic to improve the massage experience.

REFLEXOLOGY RELIEF

Enjoy a relaxing foot massage with the Reflexology Rollers. The combination of rollers, along with accompanying air cushions, relieve your feet and improve blood circulation by focusing on major reflexology pressure points.

AIR COMPRESSION THERAPY

Have you ever had a massage with more than one therapist? With the Health+ Massage Chair you will discover exactly how that feels. 28 air cushions in the back, arms, seat, legs and feet imitate techniques used by massage therapists, tightly squeezing muscles before releasing them to provide pain relief and improve circulation.
