

"We seriously love the Dawn Clock™. It's quite amazing that a clock has completely changed her level of independence!"

- Jen, Mother of Emily J Prior - ABC Me Star & Neurodiversity Advocate

**DAWN  
CLOCKS™**  
Every day counts

## Independence everyone deserves

---

**Australia's Original Dawn Clock™ has unique calendar and reminder functions that enable self care for people of all ages, and empower them to lead a meaningful life.**

With a simple and clear display, The Dawn Clock™ assists people to link time with their daily routine, and reduce their reliance on others.

The Dawn Clock™ is designed to help people maintain their feeling of independence and reduce frustration.

# How can The Dawn Clock™ improve quality of life?

---

The Dawn Clock™ helps people feel connected to the outside world, and provides a user-centred solution to enable self care. It is also ideal for families and caregivers that don't want their loved one to feel pressured or embarrassed in their daily life. The Dawn Clock™ can reduce confusion and frustration, and offer a sense of comfort to the user. Their quality of life is improved, and in turn creates a rewarding experience for all.

# Who has the Dawn Clock™ helped?

---

The Dawn Clock™ has effectively helped many communities with a variety of needs. It has proved useful for:

- Alzheimer's Disease
- Dementia
- Parkinson's Disease
- Isolation / Lockdown
- Shift workers
- The vision impaired
- ADHD
- Autism Spectrum Disorder
- Acquired brain injuries
- Executive Function Disorder
- Sensory Processing Disorder
- People living with a disability
- The learning impaired
- Cognitive dysfunction
- English as a 2nd language

“Our client was on an 8 week Restorative Care Package with the Government that we supported her with. She spent \$12,000 in the time with equipment and she told me last week that the resource that has made the **most difference** is her Dawn Clock™. She can now literally “see” the day, time and date and organise her week.”

*Jenny, Diversional Therapist - Baptcare*

The Dawn Clock™ has proven useful for industries and organisations such as:

- Hospitals
- Aged Care Facilities
- Disability Providers
- Community Centres
- Mental Health Facilities
- Educational Centres and Schools
- Banking Institutions and businesses
- Occupational Therapy
- Medical and Health Centres
- Rehabilitation Facilities
- Special needs providers

# What our customers say...

- ★ ★ ★ ★ ★ “Fantastic! Mum loves it! Beautiful customer service! Thank you!” ~ Megan (Facebook review)
- ★ ★ ★ ★ ★ “Gave my Dad his clock today. He loves it. Best gift ever, apparently. Thank you for making my Dad’s life a little bit easier” ~ Donna (Facebook review)
- ★ ★ ★ ★ ★ “This clock is wonderful. My 98 year old mother is now ‘in time’ with the world around her! Many thanks for your excellent service.” ~ Coral (via email)
- ★ ★ ★ ★ ★ “My mum, in an Aged Care facility, has just had her first week with her clock and she loves, loves, loves it. The most frequently asked question has been “what day is it”. Now she knows just look at the clock and it tells you.” ~ Den Den (Facebook review)
- ★ ★ ★ ★ ★ “Nana uses her Dawn Clock™ daily. She says ‘I got this as a gift and I love how it tells me what day to check in my diary. I check diary and then check clock for time and I know what is happening.’ It has taken the anxiety away for her and she doesn’t panic as much.” ~ Carys (via email)
- ★ ★ ★ ★ ★ “My parents have recently purchased a dawn clock, it arrived one day after purchasing and they already have it set up and are loving it. My dad always used to asks what day it is and now he doesn’t need to. My mum has also set an alarm to tell him when to take his tablets. Makes life better all round. ~ Wendy (Facebook)

*May the Dawn Clock™ bring you some comfort on this journey.  
Kind regards, Emily*
