

Enhanceiselect

Bamboo Charcoal Memory Foam Mattress Topper

Description of Model: The Enhanceiselect Mattress Topper is made from our innovative Bamboo Charcoal Infused Memory Foam that's anti-microbial, moisture absorbing and odour neutralising. This enhances your mattress with an added luxurious sleep surface. Designed to regulate heat and enhance breathability whilst comfortably supporting and cradling the hip and shoulder regions as you sleep. Comes with corner straps for secure fitting. Available in 50mm & 75mm thickness.

BAMBOO CHARCOAL MEMORY FOAM

With thousands of tiny micropores, Bamboo Charcoal infused Memory Foam is cooler and more breathable than traditional memory foam. This charcoal is anti-microbial, and odour absorbing.

MEMORY FOAM

Memory Foam conforms to your unique body shape and helps to alleviate pressure points and discomfort for a better night's sleep.

REMOVABLE COVER

A removable cleanable cover is the only way that you can easily and conveniently get rid of dust mites, smell, mold, and perspiration. You can relax knowing that you're sleeping in a hygienic and fresh environment.
