

SMARTFLEX 3

MODERN LIVING

- Bluetooth Application *available separately*
(Control the bed with your phone!)

The SmartFlex 3 combines luxury with mobility, featuring a wireless hand control and modern design, the SmartFlex 3 has several preset adjustable positions, like Hi-Lo lift function that aids to those who have limited mobilities to get into bed in comfortable positions. The vibration massage function helps with body relaxation and enhances overall wellbeing. The bed is also designed with users' convenience in mind: featuring underbed lighting and USB charging ports on both sides of the bed. SmartFlex 3 helps to create a sleep position that promotes perfect rest and healthy living.
