NECK SUPPORT PILLOW

back to sleep®
the bedding & mobility specialists

Ideal for supporting the neck and head when sitting and travelling. It Breathes ... No Sweat! High quality travel pillow.

- It lets you sleep sitting up in a plane, bus or car.
- Helps prevent head lolling sideways, so sleep is not disturbed.
- Adjustability means a snug fit – perfect for both adults and children.
- Soft open-knit cover means Traveller 'breathes' –no sweat!

Great for dozing in chairs, car or plane. Soft yet supportive polyester fibre filling. Open-weave 'breathing' cover. Doesn't sweat (unlike inflatables)! Adjustable, compact, washable.
The travel pillow that is ideal for adults and children and gives you comfort with support.
