Warranty	10 Year Warranty

## PRESSURE CARE

Risk Category High

This rating is based on our average peak pressure of <24mmHg. For some high risk clients Icare Zerotec covers are recommended.

Icare risk category ratings are based on average peak pressure, Therapist recommendation, case studies, industry comparison and the Waterlow scale. For some high risk clients Icare Zerotec covers are recommended. The best way to assess a client on a pressure reducing surface is to monitor pressure points with visual checks over a period of 5 days.
